

Dear Eagle Parents & Students:

It's that time again!! Time to order this year's yearbooks. As in the past, it will be **all color** and it will be delivered in the **Spring** again this year so you can collect friends' signatures and special messages!

Yearbooks can be purchased for **\$40** through Jan. 24th. If you would like a clear plastic protective cover to protect your book for years to come, it will be only \$2 more. Your book may also be personalized with one line of text for an additional \$5 or **two lines** of text for an additional \$8; this addition of your name adds a security feature to your book since it makes your book easily identifiable. We encourage everyone to get a name on their book as this will limit the number of books that get lost or stolen. We are also offering the affiliation icons which may be added for an additional \$4 each. You can see those on the back of this sheet. Jostens is offering up to four icons per book. **These icons can only be added to books which are personalized with a name.** These will only be offered until January 24th, after January 24th, the yearbook price will increase to \$45, and personalization options will not be available. Also, no online orders will be taken after May 1<sup>st</sup>.

If you have any questions, please contact Mrs. Rigdon or the front office at 903.893.7076.
